UYW-412-0002 - RESULTS APPLICABILITY DECLARATION

We, SRT Marine Technology Ltd of Wireless House, Westfield Industrial Estate, Midsomer Norton, Bath, BA3 4BS, England hereby declare that the product NEON II, being a Marine AIS CSTDMA Class B Transponder, to which this declaration relates, is a COBALT 011-0014 Module placed inside of an enclosure acting as a host.

All testing on COBALT 011-0014 were taken with serial cabling and interfaces being un-shielded and grouped together resulting in a representation of the worst case being tested. The COBALT module is RF shielded.

All reports for COBALT 011-0014 are applicable to the device NEON II, due to the device NEON II being a COBALT 011-0014 module being placed inside of a RF transparent enclosure with the same serial ports as represented during test of COBLAT 011-0014 and the same RF shielding over all circuitry.

The following reports are applicable for FCC IS: UYW-413-0002

75912008 Report 06 Issue 1
75912008 Report 07 Issue 1
75912008 Report 08 Issue 1
